Increase community capacity and health through increased access to community development assistance and resources for the City of Clairton.	
Junior Achievement	\$12,000
Junior Achievement Refugee and Immigrant Initiative	
Raise knowledge of refugee and immigrant students attending Baldwin Whitehall school district about the local labor market through participation of job shadows with Pittsburgh employers and increase their awareness of local post-secondary educational opportunities by offering college tours which incorporate lectures, tours, and networking.	
LifeSpan	\$5,260
Clairton Community Farm Stand	
Increase access to fresh produce for Clairton area residents through continued operation of a weekly Community Farm Stand through October and develop a plan for sustainability.	
LifeSpan Steel Valley Senior Resource Center	\$80,000
Support essential improvements to the senior services facility which provides vital programming for older adults in Clairton and home-delivered meals to homebound seniors in the South Hills area.	
Melting Pot Ministries	\$45,000
Melting Pot Positive Youth Development Program	
Provide an 11-month quality after-school and summer program that addresses the social, emotional, behavioral, and academic challenges of underserved youth attending South Park, Bethel Park, and Baldwin-Whitehall school districts.	

Nurture PA	\$80,000 (2 years- \$40,000/\$40,000)
Evaluating an Innovative Program to Improve the Social/Emotional Development of Young Children	
Pilot an innovative, cost-efficient program at Jefferson Hospital to transform how parents access information and promote the healthy social and emotional development of young children by linking volunteer mentors and new parents through cell phone text messaging using a newly developed software tool and evidence-based information.	
Pennsylvania Health Law Project (Pittsburgh Office)	\$50,000
Navigating Dual Eligible Older Adults through Insurance and Health Care Systems	
Increase knowledge, awareness, and independence of older adults living in the Jefferson area who qualify for both Medicare and Medicaid benefits by creating and providing tools to navigate the health and insurance systems and offering direct assistance to remove barriers to care.	
Sisters Place, Inc.	\$150,000 (3 years/\$50,000 each)
Supportive Services for Family Stability	
Assist homeless single parents and their children to heal, recover, and thrive by gaining self-sufficiency through holistic supportive services including transportation, out of school programs, and basic resources.	
The Forbes Funds	\$25,000
Executive in Residence Program	
Build the capacity of local organizations to more effectively serve the community through coaching and training offered by a highly experienced former nonprofit executive based at The Forbes Funds.	
Three Rivers Mothers' Milk Bank	\$25,000
Building a Milk Bank for Jefferson and the Region	
Support the creation of a self-sustaining regional donor milk bank to increase the quality of life for babies and their families, reduce health disparities and reduce the costs of caring for premature infants.	
TJ Arts	\$12,000 (2 years- \$6,000/\$6,000)
Classic Crooners	
Increase local older adults' confidence, social engagement, mental health, and overall quality of life through participation in a choral group.	
Turtle Creek Valley MH/MR, Inc.	\$42,000
TCV Prevention After-School Program at West Mifflin Middle School	
Increase the positive opportunities for West Mifflin Middle Schools students through a new after-school program two days/week which focuses on physical activity, prevention of substance abuse, and educational enhancement building on an existing school-based partnership.	
United Way of Allegheny County	
Promoting Affordable Care Act Insurance Enrollment	\$75,000
Increase the number of local individuals and families insured by ACA enrollment through a multi-prong strategy: public awareness (communication plan), scheduling and screening support (use of PA 2-1-1 Southwest), and assistance offered by a dedicated enrollment navigator.	
Youth Opportunities Development	\$75,000
Stay Positive Clairton	
Provide pro-social opportunities for Clairton youth through a youth leadership program which includes leadership development, community projects and community engagement.	

YouthPlaces, Inc. **\$35,000**

Tri-Sites Van Transportation

Increase the access of underserved youth in the high-risk communities of Clairton, Duquesne and McKeesport to enriching afterschool and summer programming, events and activities through purchase of a shared van.

Summer Community Service Project **\$35,000**

Increase workforce development skills for at-risk, African American males ages 16-24 through a summer program and positive summer engagement with the communities of Clairton, Duquesne, and McKeesport.

Jefferson Hospital

Wheelchair Van **\$50,000**

Support the Hospital's purchase of a dedicated wheelchair-accessible ambulance van for a pilot program which will reduce wait times, risk and create efficiencies for patients discharged from the emergency or hospital room who require special transport.
