Jefferson Community Collaborative Unified Voices Award Rubric

Applications will be assessed using this rubric, which reflects the structure of the application.

Each category is scored 1–5 (1 = minimal evidence, 5 = exceptional evidence). Applications will be de-identified before review to ensure impartial scoring. The rubric will be shared with applicants to support transparency and clear expectations.

1. **Community Impact:** Tangible outcomes or improvements in health or well-being within the JRF service area.
2. **Collaboration Highlight:** Depth, effectiveness, and meaningful coordination between partner organizations.
3. **Community Voice:** Evidence that community input, engagement, or feedback was actively incorporated into the initiative.
4. **Accessibility & Inclusion:** Thoughtful consideration of accessibility and inclusion to ensure equitable participation.

Scoring Notes:

- Total possible points = 20
